Wedding Ceremony

We are a fully licensed venue and can hold up to 150 guests for your wedding ceremony and Wedding Breakfast and up to 180 guests for your evening reception. The registrar will be booked with Kent County Council by us and then on the day the representatives will arrive just before the guests, in order to complete the relevant pre-wedding paperwork.

We are quite happy for your guests to throw confetti after your wedding service but regret that there can be no food or drink in the ceremony room prior to or during the ceremony.

The supplement for the in-house ceremony in the Lakeside and Waterside rooms is £500 and this charge includes the set up/dismantling of the room for the ceremony and our administration charges.

Chair Covers

White chair covers with sashes are included in packages for all day guests, colours of sashes within the package include Burgundy, Royal Blue, Hot Pink, Dusky Pink, Coral, Ultra Purple, Yellow, Hunter Green, Bright Red, Navy Blue, Silver Grey, Lime Green and White – other colours can be supplied at £1.50 extra per chair.

Registrar Fees

The charge for the Registrar must be paid direct to Kent County Council and can be discussed at your initial meeting with them. Pricing can be found on their website www.akentishceremony.com

Disco

Your disco entertainment is included in our packages and will be ordered through the Weald of Kent. After booking, the DJ will make contact with you to discuss your music requirements for the evening.

What music do I need for the wedding ceremony?

You will need four separate sections:

1. A selection of music or songs whilst your wedding guests are arriving and being seated.
2. One piece of music or song for the Bride's entrance and walk down the aisle.
3. Two or three songs or a longer piece of music for the signing of the Register.
4. One piece of music or song for the Bride and Groom's exit.

We can download your wedding music for you, just let us know the artist, title of the song and if it is the original version (please note that we can't download from YouTube)

Do we contact the disco after confirming our wedding with you?

No, the Wedding Co-ordinator will book the disco for you and the DJ will then make contact with you to confirm the booking. He will, at a later date, send you a form to be filled in and returned, detailing your playlist for the evening, first dance, etc.
